

High Tea in the Pre-Parade Ring

Tradition, elegance — and a front row view.

Set beside the track in the rarely accessed Pre-Parade Ring, this refined high tea reimagines one of racing's most elegant rituals.

Tiered stands overflow with sweet and savoury delicacies, Champagne and tea are poured freely, and the setting offers an unparalleled sense of occasion and proximity to the sport's theatre.

PERFECT FOR: Client entertaining, brand activations, refined social gatherings

SIGNATURE FEEL: Classic racing elegance with modern culinary flair.
