

The Straight

Long Lunch on the Track

There is only one straight like this in Australia.

A single, dramatic table is set directly on Flemington's famous straight – the place where Cups are won and lost.

Each course aligns to a “race,” paired with stories of iconic finishes, legendary jockeys and trainers who shaped the sport. Wines are premium, Champagne flows and the setting is nothing short of cinematic.

PERFECT FOR: Premium Dining | VIP groups | Incentives

INCLUDES:

- Track-set long-table dining
- Story-led menu presentation
- Premium wines and Champagne
- Optional Rose Garden aperitif

“Dine where destiny is decided.”
